Actual position

since 06/2025 **Scientist**, *Aquatic Ecology*, Swiss Federal Institute of Aquatic Science and Technology (EAWAG)

Higher education

2017-2021 **Ph.D.** (Quantitative Ecology), UFRN, Brazil

2015-2017 **Master of Sciences** (Quantitative Ecology), UFRGS, Brazil

2008-2014 **Bachelor of Sciences** (Environmental Sciences), University of Barcelona, Spain

Scholarships & awards

2017-2021 **Ph.D Grant** (Brazilian Federal Agency for Support and Evaluation of Graduate Education), Brazil, *amount: 31,000 Euros*

2015-2017 **Master Grant** (Brazilian Federal Agency for Support and Evaluation of Graduate Education), Brazil, *amount: 5,800 Euros*

Working experience

since 09.2025 **Ecology and statistical consultant**, *(macrophytes harvest assesment)*, limu.eco, Switzerland

2023-2025 **External collaborator**, *beaver-engineered streams*, Biberfachstelle – Info fauna / BAFU, Switzerland

2021-2023 **Scientific consultant**, *forecast hydroelectric power plant impacts*, Norte Energia consortium, Brazil

Teaching experience

Supervised theses

Bachelor	3	Master	2

Teaching (selected)

Term	Course	Study program
2026	Advanced time series analysis using empirical dynamic modelling (workshop, co-organiser)	Ph.D. & Postdoc (Eawag)
2025	Aquatic Ecology	Bachelor & Master (UZH, ETH)
2018-2022	Ecopath: food web modelling	Master & Ph.D.
2019-2021	Data analysis with R	Bachelor
2019-2021	Bayesian data analysis with R	Master & Ph.D.

Additional training (selection)

Methods training

2026 **Empirical Dynamic Modelling: time-series analysis and forecast**, Eawag, Dubendorf
2026 **Applied causal analysis methods for ecologists**, WSL, Davos
2026 **Communicating in challenging situations - Resolving conflicts**, Eawag, Dubendorf
2025 **Introduction to Machine Learning with R**, SIB, Basel
2024 **Make Your Life Easier with Git**, Eawag, Dubendorf
2024 **Bayesian networks**, Università della Svizzera italiana, Lugano
2024 **Joint species distribution modelling**, ISEC, Swansea, UK
2023 **Spatial-temporal data analysis with R-INLA**, Highlands Statistics
2023 **Quantitative methods for population dynamics modelling**, Online
2021 **Bayesian data analysis (Global South)**, Stan team, Online

Didactics

2025 **Making Your Research Data FAIR**, SORTEE, online
2024 **Science-Policy Interface for Scientists**, ETH Zurich
2023 **Scientific Manuscript Writing**, Eawag, Dubendorf

Further skills

	Skill	Level	Comment
Computer languages	R	■■■■	longstanding experience, taught several courses
	phyton	■■■□	
	Quarto / Markdown	■■■□	used in presentations, dashboards & reports
	LaTeX / Typst	■■□□	used in presentations and papers, first steps with own templates/packages
Software	QGIS	■■■□	thematic mapping & spatial queries
	Ecopath	■■■■	Food web modelling
	Office	■■■■	longstanding experience (Win/MacOS)
Languages	Italian	■■■■	native tongue
	German	■■□□	A2.2
	English	■■■□	C1
	Portuguese	■■■■	C1
	Spanish	■■■■	C1
	French	■□□□	A1.1

■□□□ basic knowledge ■■■□ extensive knowledge
■■□□ intermediate knowledge ■■■■ expert knowledge
